“LaingBuisson’s Private Healthcare Summit has become Reputation’s core in-person conference for the healthcare sector each year. Both the feedback we receive from the team attending the conference, and the quality of the people attending the conference results in high-quality conversations in the days following the conference that are incredibly high. The conference is well-organised and provides a high-quality agenda, of which Reputation is proud to be involved.”

Christopher Eden, Snr Marketing Programme Manager, Reputation

About LaingBuisson

LaingBuisson has been serving clients for over 30 years with market, policy and strategy insights, data and analysis across healthcare and social care. We are the chosen provider of independent sector healthcare market data to the UK Government's Office for National Statistics and work globally with providers, commissioners, payors, manufacturers, investors, regulators and advisors. We help our clients to understand their markets, make informed decisions and deliver better outcomes through market intelligence, data solutions and consulting.

Private Healthcare Summit

2023 marks the 10th anniversary of the Private Healthcare Summit. A key annual event for the private health sector, the Summit attracts senior executives and decision makers from the following types of organisations:

- Private hospitals, clinics and healthcare practices
- Private healthcare operators
- Private medical insurers and brokers
- Consultants and specialists
- Corporate purchasers of healthcare benefits
- Clinical commissioning groups
- NHS Private Patient Units
- Patient and consultant organisations
- Charities, social enterprises and third sector organisations
- Purchasers and commissioners of private healthcare services
- Healthcare policymakers and government

Why sponsor?

Our events attract support from key stakeholders in the independent health and social care sectors. Sponsorship connects your brand with opinion formers in the sector and associates it with knowledge products and professional development.

- Your brand secures visibility in the independent health and social care sectors.
- Your brand is aligned with the UK's leading provider of data solutions and market intelligence in the independent health and social care sectors.
- You secure your competitive edge through personal contact.
- Expand your business opportunities and meet leading thinkers in the networking community.
- Build new business relationships and generate strong leads.
- Present your latest business solutions to experts in the field.

Exhibitor Showcase

All packages include an exhibition stand in our networking area. This exclusive area provides opportunities to interact with attendees, and to display or demonstrate your products and services.

Sponsorship and exhibitor packages are offered on a first-come, first-served basis.
