Who we are

LaingBuisson has been serving clients for over 30 years with market, policy and strategy insights, data and analysis across healthcare and social care. We are the chosen provider of independent sector healthcare market data to the UK Government's Office for National Statistics and work globally with providers, commissioners, payors, manufacturers, investors, regulators and advisors. We help our clients to understand their markets, make informed decisions and deliver better outcomes through market intelligence, data solutions and consulting.

“

LaingBuisson's Private Healthcare Summit has become Reputation's core in-person conference for the healthcare sector each year. Both the feedback we receive from the team attending the conference, and the quality of the people attending the conference results in high-quality conversations in the days following the conference that are incredibly high. The conference is well-organised and provides a high-quality agenda, of which Reputation is proud to be involved.

Christopher Eden, Snr Marketing Programme Manager, Reputation
