Who we are

LaingBuisson has been serving clients for over 30 years with market, policy and strategy insights, data and analysis across healthcare and social care. We are the chosen provider of independent sector healthcare market data to the UK Government's Office for National Statistics and work globally with providers, commissioners, payors, manufacturers, investors, regulators and advisors. We help our clients to understand their markets, make informed decisions and deliver better outcomes through market intelligence, data solutions and consulting.
